PROFILE

I am a 22 year old computer science student from Copenhagen, Denmark. With a talent for problem solving and a passion for learning. With a love of programming i have cultivated since i was 13, i have always had a talent for autodidactic learning, and i consider this my biggest strength. My experience in the service industry has also made me an efficient worker with good communication skills, and my generally positive attitude and cheery personality often allows me to cooperate well in teams

EXPERIENCE

TV PRODUCER - 2015 - 2017

TV2-LORRY

Produced, every other week, 15 minutes of content for the youth TV show "Spektrum" for the regional tv-station TV2-Lorry. As a part of the cast and crew in this dynamic work environment, I took full responsibility for production both in front of and behind the camera, in the editing room and during planning.

FREELANCE BARTENDER - 2017 - 2018

COCKTAIL COMPANY

As a freelance bartender i catered events and parties. The changing requirements and menus taught me the importance of preparation and required a broad knowledge of spirits, as well as passion for immersing myself and improving in a chosen field.

BARTENDER - 2018 - 2020

BRØNNUM COCKTAIL BAR

A part-time job with full-time hours, at this highend cocktail bar on Kongens Nytorv, I worked as bartender, barback and waiter. With long hours, a high intensity and peak efficiency, this job taught me cooperation, customer-service, how to manage multiple tasks and how to communicate clearly with coworkers.
